Urban Safari and Adventure Challenge

Return for Another Exciting Season!

Explore your World!

Urban Safari takes youth on a journey to discover a variety of local cultural, educational, and recreational resources and then write about those experiences using computer technology. Designed to build written language skills in a fun and supportive atmosphere, this summer youth program fosters self-esteem, communication, cooperation and social skills for youth 8-12 years old.

Have Fun While Learning!

Adventure Challenge

Oneida County - Ages 13 - 17
Herkimer County - Ages 11 - 18

Join us for a fun and exciting recreational approach to learning. Together, we'll push past the norm and problem solve until we reach the best possible outcome for the task at hand, as well as develop writing skills.

Just The Basics...

Urban Safari and Adventure Challenge are open to students with learning disabilities or neurological impairments. Please contact us for details.
